**Cinco De Mayo
At
Timber Ridge Apartments**

The residents at Timber Ridge Apartments had a wonderful time celebrating Cinco De Mayo together! The celebration was filled with fun, food, and creativity as residents enjoyed a delicious taco lunch, created festive cactus crafts, and relaxed while listening to lively Latin-inspired music. It was a great opportunity for everyone to come together, socialize, and enjoy an afternoon full of laughter and community spirit.

“Maintenance Matters” by Sylvester Salters

*We continue to ask everyone to not sit on the air conditioning
units and do not allow your guests to. It is dangerous and can cause
harm to you and can damage the unit.*

*Also, when you see the yard guys mowing the yard, please
move inside or away from the area until they have finished. Any
objects or rocks flung from a lawn mower blade can reach incredible
speeds of 200 miles per hour (about 300 feet per second) and can
cause broken windows, property damage, or serious injuries.*

Let's be safe and take all precautions while they are on the grounds.

Thank you for helping us keep everyone safe!
